

## Circular Connector Female MIC-05FB6-H

### Specifications and Materials

#### Specifications:

1. Contact Resistance: 5m $\Omega$  Max.
2. Insulation Resistance: 500M $\Omega$  Min.
3. Dielectric Withstanding Voltage: 1000V AC(rms) For 1 Minute.
4. Current Rating: 5-15A.
5. Temperature: -40°C ~ +105°C.

#### Materials:

1. Contact Material: Copper Alloy.
2. Contact Plating: Silver Plating Over Nickel.

Insulator Material: Plastic, Black or White
